Re: Packing and Moving of my IT and Non-IT Assets from Ascendas IT park to Meenakshi Tech Park

We write this letter in appreciation of your services, in successfully implementing our office relocations.

Despite the short notice from our side you have certainly proved to be the Relocation Specialist, the manner in which our IT equipments, Critical Servers and Non-IT Assets were packed, inventories and transporter from Ascendas IT Park to Meenakshi Tech Park.

Entire move process was done with meticulous care and attention by your team, they managed it exemplary and very professionally.

Once again thank you and your team for the excellent work done and wish you best of luck for all your future endeavors...

Sincerely,

For JDA Software India Pvt. Ltd
